Kylee wrote this story about trying something new. She wants you to review her paper. As you read what Kylee wrote, think about the corrections and improvements Kylee should make. Then answer the questions that follow.

A Matter of Taste

(1) Until recently, Dad called me a picky eater. (2) One day when he asked me if I'd like to try something new for dinner, I got my chance to prove him wrong. (3) We met Dad's friend, Mr. Bezos, and his daughter, Alexis, at a Greek restaurant. (4) I was a little afraid to try the exotic food, but I was determined to be brave.

(5) We went to a Greek restaurant for more than just the food. (6) The whole evening was an experience to remember. (7) We got to Niko's Restaurant just as a band was starting to play. (8) The music they

played was full of energy. (9) One man from the band came over and asked Alexis and me if we wanted to learn how to do a Greek line dance. (10) We were busy learning the dance and working up an appetite and we didn't see the waiter come to take our order. (11) Dad and Mr. Bezos ordered for us. (12) By the time we sat down, I couldn't wait to eat.
